Office of the Government Advocate in Mysore,
BANGALORE, dated the 18th August 1919.

From

K. SHANKARANARAYANA RAO Esq., M. A., B.L.,
Government Advocate in Mysore, BANGALORE.

To

C. S. BALASUNDARAM IYER Esq., B. A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,

Through

The COMPTROLLER in Mysore, BANGALORE.

Sir,

With reference to Government Order No. J 252-3/ Cts 333-12-16, dated the 11th August 1914, fixing the pay of the Clerical and menial establishments of this office, - I have the honor to state that since the recent re-organisation of almost all the Departments of ~~the~~ Government, - especially of the Civil Secretariats, the Comptroller's - Office and the Chief Court, and the creation of several new Departments of Government, the clerical work of this office has very much increased. It is a well-known fact that the prospects of the clerks and peons of this office are by no means encouraging and I think that it is rather undesirable that the work in such an important office as that of the Legal Adviser to Government should be entrusted to low-paid officials. In view of these circumstances, as also of the present economic situation, I would venture to suggest a re-organisation of my establishment.

The

The main responsibility of the office, in general, rests on the Head Clerk. He has to handle the permanent advance and other funds of the office, which at times amount to -- several hundreds of rupees. He has to do the duties of an Accountant, a clerk, a copyist and a Typist. He has to be in charge of and look after the Office Library and furniture, stationery and forms and very often when the other clerk is fully engaged in work, he has to make ready the copies of - records in Civil and Criminal Appeals, Revision Petitions, - Revision cases etc., coming on for hearing before the several courts. He has to do the duties of a Despatcher and a - Receiver, maintaining the necessary books and records. I find his present pay is not equal even to that of a Second Division Clerk of the General and Revenue Secretariat, and is quite inadequate for the ~~work~~ amount of work he does and the responsibility he shoulders.

The second clerk, who is also a typist, has to make copies of all the cases in which I am notified and I am sure that a glance at the Half-yearly statements of statistics of business done in this office, for the last two or three years, would quite convince you to what an enormous extent the work of - this office has increased in this direction. On several - occasions when cases are posted for hearing at very short - notice, and the records have to be got ready, both the -- clerks have to ~~wor~~ work over-time and even on Sundays and other holidays. For the purposes of expediting the copying of - these records on such occasions, a new type-writer was sanctioned for this office in G. O. No. G 8384-5/Cts 76-18-4, -- dated the 11th November 1918. With all that, the work is too heavy for the two clerks that I am provided with and at times when it is not possible for them to take copies of the records, I am, myself, taking notes from the originals for

use

7

use in court. The pay of the second clerk in this office is Rs. 20-1-25 at present, whereas in other offices, the minimum pay of the lowest clerk is found to be Rs. 25/-

With regard to the question of peons, I think it is a matter of necessity that their prospects also should be increased. I find from the Office records that during the last two years, more than half a dozen peons have given up service in this office. Their foremost complaint after their entry into service here seems to be that they have no free clothing whereas their brethren in the adjacent offices, such as the Chief Court and the Comptroller's office are more fortunate in that direction. As soon as a vacancy occurs in any of the offices, they give up service here, since they get elsewhere, a comparatively higher remuneration together with the free clothing. As such, it is found very difficult to find peons for service in this office, and I learn that on several occasions the office has had to work with no peons at all.

In these circumstances, I would like to propose the addition of a new hand, say a Third Clerk, to my clerical establishment on Rs. 25/- per mensem and the raising of the pay of the Head Clerk to Rs. 60/- per mensem, and that of the second clerk to Rs. 35/- per mensem. With regard to the menial establishment, I would suggest that the pay of the Duffedar, who has been doing the work of a Mutchi in addition, should be raised to Rs. 12/- per mensem and of the other two to Rs. 8/- each.

In

In conclusion, I request you to kindly place these proposals before the Government for their kind consideration and obtain their early sanction for the same.

I have the honor to be,

S i r,

Your most obedient servant,

Government Advocate.

Sir,

With reference to your letter No. G 6919/Cts - 53-19-2 dated the 17th September 1919, re: the source from which the additional charges for enhancing the pay of my clerical and menial establishment are proposed to be met during the current year, I have the honor to state that only a few hundreds of rupees will be required for the purpose and it may be conveniently met by a special sanction of Government from the savings of some other Department, as the allotments at my disposal in the current year's budget are very limited.

2. However, in case Government do not feel inclined to adopt such a course, I may be permitted to suggest, only as an alternative, that the amount required during the current year may be met by re-appropriation partly from the allotment for "Travelling Allowances" and partly from "Fees to Advocates and other Law charges" in the current year's budget, as it is believed that there will be some savings under those two heads during the

the present year. I am obliged to press this matter on the attention of Government for the reasons set forth in my previous communication on this subject.

Sir,

With reference to your letter No. G 8956/Cts 53-19-4 dated the 21st October 1919, re: the qualifications of the present clerks of my office, I have the honor to state as follows:-

The present Head Clerk has passed the Mysore Secondary School Leaving Certificate Examination. He is a Typist as well as a Shorthand writer, having passed the Intermediate Examination in Typewriting of the Madras Government Technical Examinations, and the Elementary Examination in Shorthand of the Mysore Government. He is a "good, all round hand", to use the words of my predecessor in office, "quite trustworthy" and "quite deserving" of promotion, and I fully concur in his opinion.

The Second clerk has studied up to the Matriculation standard. (He had appeared for the Matriculation Examination of the Calcutta University, but failed to get through the same owing to the want of a few marks in the paper on Hindi Translation). He has passed the Accounts and Revenue

Examinations,, Lower, and Typewriting Elementary. He is also very trustworthy and deserves promotion.

I may be permitted to add here that their qualifications appear to me to be quite sufficient for the pay that they have been recommended for, and I request that early orders of Government may be kindly obtained for the sanction of the same, so - that they may take effect at least from the beginning of the - next calendar year.
